

Business Credit Cards Now Accepted, Delivery Available

New Warehouse Operations in Full Swing

Federal Surplus Property has finalized their move to 3416 Bennett Street, off Broadway/Federal Way between West Victory and West Sunrise Rim.

Business Manager **Bruce Hutchinson** and his staff are in full operation with new items arriving. Watch your e-mails for photos and specials.

As a new service, and at the request of many customers, *business credit cards are now accepted*. Additionally, to enhance service to our customers, Idaho Federal Surplus Property will deliver to your door for a *nominal fee*.

Brent Barton, the new Storekeeper, returned recently from a trip to Hill AFB near Ogden, Utah with a load of tools to round out your needs. And, even though the weather has been HOT -- now wouldn't be a bad time to begin thinking about snow and ice. FSP has cold weather parkas and trousers for those who have to brave the elements when the weather turns cold. Come by and try one on!

Bruce says you can "step-up" to some savings if you're in need of ladders. FSP has several. He also wants to "tank" everyone for their support and will give you a personal showing of a couple of storage tanks they have in stock. These items are among hundreds and hundreds of assorted equipment and supplies found in or around the new 13,500 square foot warehouse.

Of course, "humor" is always free at FSP.

How to Find Us!

To find us in our new location: **From Broadway Exit**, north to Federal Way turn-off. Left at light, onto Federal Way; west to W Victory Road (approx 1/4 mile, watch for *Gran Del Petroleum* sign on left); left on W Victory to RR tracks; cross tracks make immediate left on Lindsay; south to Bennett St; left just before Republic Storage gate; follow lane to Federal Surplus Property building.

From Vista Exit, north to light at Canal Street; right on Canal for 1 block; right on W Victory; east to Lindsay (*don't cross RR tracks*); right on Lindsay; south to Bennett St; left just before Republic Storage gate; follow lane to Federal Surplus Property building.

(See Map On Next Page)

Photos: (From Left, Clockwise)
Storage tanks are among a wide variety of equipment items available on the lot at Federal Surplus Property. Inside, FSP shelves are stocked with a myriad of supplies and goods. The new 13,500 square-foot warehouse is located at 3416 Bennett Street.
